Dear Members

Please be advised that the members of the petition group, lead by Cindy Dalglish have refused to accept the results of the secret votes cast in our recent Spring General Meeting and then counted by independent scrutineers from the Agassiz Harrison Lions Club. They are now demanding a Special General Meeting to present the exact same resolutions that were overwhelmingly defeated by our membership. The Board is seeking legal advice on this matter and will keep the membership apprised of the actions we will undertake.

Harrison Holiday Park Association  
Board of Directors
