

May 12, 2022

MEMO TO MEMBERS

ANNUAL DUES:

Dues for the 2022/2023 season are \$1,640.00 payable in the same manner as last year at the office (closed Tues/Wed) or by a newly added E-Transfer option. The email address for e transfers is hhpapayments@shaw.ca

Fees, including the payment of any outstanding fines, were due May 1st and become overdue June 1st.

SITE CLEANUP:

Site cleanup was due to be completed by May 1st.

Due to the excessive poor weather in April the board has extended this deadline to May 31st.

Rule 1.G.1. states "Each member shall keep their site(s) safe, clean and free of litter and debris at all times. This includes keeping front road boundaries free of grass and weeds..."

Rule 2.D. states "Tarps: Temporary Protective tarps are permitted over RV's, sheds and boats from October 1st to April 30th. They must be removed by May 1st each year."

Failing to comply may result in fines commencing June 1st.

Note: The board is aware that a number of sites have contracted out their site cleanup and we understand that, due to workload, some sites could possibly be still outstanding as of June 1st. Please notify the office if you are anticipating a delay past June 1st to avoid penalties.

LOT NUMBERS:

A friendly reminder that all lots need to have your lot number prominently displayed for emergency reasons.

SPECIAL GENERAL MEETING:

Important notice of date changes!

The member's meeting for the Rules and Regulations review has been moved from May 28th to **Sunday, June 12th, 2022**, from 10:00 am to 12:00 Noon. This decision was not made lightly and our apologies for any inconvenience to the membership. Specifics regarding this meeting will be sent to all members in your pre-meeting package.

The Bylaws review has been postponed for the time being. New date TBD. Bylaw changes are extremely important to get right, and I am confident we can all agree, better done right, than fast. We will be looking at getting our Bylaws, and any proposals for change, reviewed by an outside professional prior to putting the proposals forward to the membership.

BOARD POSITION CHANGES:

The board has reassessed board positions and made the following changes (highlighted)

Patty Warkentin: President / **Acting Secretary**

Bob Walters: Vice President / Operations Director

Kelly Stanoffsky: Treasurer

Cliff Eagar: **Park Liaison**

Dana Vandecasteyen: **Special Projects**

Sharon Cross: Enhancement

Desmond deLusignan: no portfolio

Ad hoc Committees with Board oversight

- Bylaws and Rules & Regulations Committees (Patty Warkentin)
- Social Committee (Bob Walters)
- Voting Committee (Cliff Eagar)
- Tech Committee (Dana Vandecasteyen)
- Clubhouse Committee – (Sharon Cross)

***New* CLUBHOUSE COMMITTEE:**

Some enthusiastic volunteers (listed below) have stepped forward to help take care of our beautiful Clubhouse and a committee has been formed. Sharon Cross will provide board oversight to the committee.

Committee members include: Darnell Bloom, Letti Forsyth, Donna Helland and Cliff Eager (ad hoc committee member).

Pool Opening

Provided we get clearance from the Heath Authority, the goal is to have the pool opened for the May long weekend.

Please note that there is a new pool schedule. Details have been updated on the Website as well as noted in the March 27, 2022, meeting minutes, which are now posted.

Membership Sales:

We are asking members to please register the sale of their membership via the park website @ <https://harrisonholidaypark.com>

If you have not registered, you can access the **Membership / RV Sale** fillable web-form by using this link: <https://harrisonholidaypark.com/elementor-4427> If you are registered on the website, you can access the web-form in the INFORMATION / FORMS section. Submit your form, pictures and details online and then drop into the office and pay your \$20 registration fee. This will assist in streamlining the process and speeding things up for the listings.

Lynn is responsible for ensuring the paperwork has been completed correctly and the listing fee of \$20 is collected. Following these first steps there is lots of work that happens in the background. Site Inspection is first on the list to ensure there are no violations that need to be addressed prior to the listing taking place. Details and photos for the listing are to be posted to the website and the walk about sheet is to be updated, just to name a few. Then when the sale happens there is more paperwork for BC Assessment, member certificates, gate key exchange, etc. Now multiply this process x 5+ listings happening weekly, right along with members paying dues, and we have a delay in processes. We ask for your patience at this busy time of year.
